REACH and RoHS Declaration

The following declaration applies to all Benshaw medium voltage products with manufacturing dates starting in 2024 (except for Benshaw MV products that utilize the MX3 controller and the M2L series MV VFD).

REACH Declaration

The above products conform with Regulation (EC) No 1907/2006 of the European Parliament and the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).

The above products manufactured by Benshaw, the individual components and the product packaging contain no material on the Candidate List of Substances of Very High Concern (SVHC) in a concentration greater than 0.1% by weight. In accordance with Article 33(1), we will inform our customers if any of the above products are affected by a change in the Candidate List.

RoHS Declaration

The above products conform with Directive 2011/65/EU of the European Parliament and the Council of June 8, 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment and the Commission Delegated Directive (EU) 2015/863 of March 31, 2015 amending Annex II to Directive 2011/65/EU of the European Parliament and of the Council as regards the list of restricted substances.

The above products contain less than 0.01% by weight of cadmium (Cd) and less than 0.1% by weight of other substances restricted by these directives: mercury (Hg), lead (Pb), hexavalent chromium (Cr VI), polybrominated biphenyls (PBB), polybrominated diphenyl ethers (BPDE), bis (2-ethyhexyl) phthalate (DEHP), benzyl butyl phthalate (BBP), dibutyl phthalate (DBP), diisobutyl phthalate (DIBP). These values do not apply to the exemptions listed in Annex III of the RoHS Directive.
